Whistle Blowing Policy

Policy updated: January 2025

Next Review Date: January 2026

Version: 1.0

DEFINITIONS

In this Policy the following terms/expressions shall mean:

- ECB – means England and Wales Cricket Board
- Children – refers to persons under the age of 18
- Safe Hands - means the ECB's cricket policies and procedures for safeguarding children within cricket.

STATEMENT OF INTENT

The aim of this policy is to provide procedures and practical guidance for all Berkshire Cricket employees, agents, volunteers, and other professionals and/or partners working alongside Berkshire Cricket to safeguard children.

INTRODUCTION

Berkshire Cricket is committed to developing a culture where it is safe and acceptable for all those involved in cricket to raise concerns about unacceptable practice and misconduct.

You may be the first to recognise that something is wrong, but you may not feel able to express your concerns out of a belief that this would be disloyal to colleagues, or you may fear harassment, victimisation or disadvantage. These feelings, however natural, must never result in a child continuing to be unnecessarily at risk. Remember it is often the most vulnerable child who is targeted. These children need someone like you to safeguard their welfare. Those involved in the sport must acknowledge their individual responsibilities to bring matters of concern to the attention of senior management and/or relevant agencies. Although this can be difficult, it is particularly important where the welfare of children may be at risk.

Berkshire Cricket assures all involved in cricket that they will be treated fairly and that all concerns will be properly considered. In cases where the suspicions prove to be unfounded, no action will be taken against those who report their suspicions/allegations provided they acted in good faith and without malicious intent. The Public Interest Disclosure Act 1998 protects whistle blowers from victimisation, discipline or dismissal where they raise genuine concerns of misconduct or malpractice.

REASONS FOR WHISTLE BLOWING

Everyone has a responsibility for raising concerns about unacceptable practice or behaviour:

- to prevent the problem worsening or widening.
- to protect or reduce risk to others.
- to prevent becoming implicated yourself.

WHAT STOPS PEOPLE FROM SHARING CONCERNS (WHISTLE BLOWING)?

- Fear of starting a chain of events.
- Reluctance to disrupt work or training.
- Fear of getting it wrong.
- Fear of repercussions or damaging careers.
- Fear of not being believed.

WHAT HAPPENS NEXT?

If you have raised a concern:

- You should be given information on the nature and progress of any enquiries.
- All concerns will be treated in confidence. During the process of investigating the matter, every effort will be made to keep the identity of those raising the concern unknown, except to the minimum number of individuals practicable.
- Berkshire Cricket and the Cricket Regulator have a responsibility to protect you from harassment or victimisation.
- No action will be taken against you if the concern proves to be unfounded and was raised in good faith.
- Malicious allegations may be considered a disciplinary offence.

Should suspicions be raised via a “tip off”, the person receiving the tip off should attempt to obtain the following information from the informant:

- Name, address and telephone number.
- Names of individuals involved.
- The manner of the alleged incident/s or circumstances.
- Whether they will submit any evidence (if applicable).
- How they became aware of the nature of the allegation.

You should not attempt to deal with any allegation or suspicion yourself, rather inform the Berkshire Cricket Safeguarding Manager or the Cricket Regulator Safeguarding Team.

Specifically, do not:

- Inform the person about whom the concern was raised.
- Inform any other members, participants or employees.
- Commence your own investigation.
- Annotate or remove evidence.
- Delay in reporting the suspicion.

Also never assume:

- “All is well, otherwise it would have been spotted earlier”.
- “It doesn’t matter” or “no harm will arise”.
- “Ignore it as it is not my responsibility”.
- “Someone else must have reported it already”.

WHO DO I TELL?

The first person to whom you should report your suspicion or allegation is the Berkshire Cricket Safeguarding Manager (safeguarding@berkshirecricket.org) or in their absence the Cricket Regulator Safeguarding Team (safeguarding@cricketregulator.co.uk or 020 7432 6609).

The Cricket Regulator Safeguarding Team can also help if you feel your concerns are not being dealt with properly.

Alternatively you can also contact Public Concern at Work on 020 7404 6609 or whistle@pcaw.co.uk

FEEDBACK

The amount of feedback relating to the issue will vary depending on the nature and result of the investigations. However, where possible, those who have raised concerns will be kept informed of the progress and conclusion of the investigations, although they may not be informed of the detail unless they would need this information to safeguard children.

The above policy has been developed from the ECB “Safe Hands” Policy for Safeguarding Children and the Child Protection in Sport Unit’s Guidance on Whistle blowing.
